

**ACTIVITY**

**Natural Gas Distribution System**

Can you name all the parts of the natural gas distribution system? Print this page and write the name of each part next to the number it matches in the illustration. (The words below are not in order.)

- |                    |                  |
|--------------------|------------------|
| Utility            | Well             |
| Distribution Mains | Processing Plant |
| Transmission Pipes | Appliance        |
| Compressor Station | Storage Tanks    |
| Service Lines      | Gas Meter        |

- |          |           |
|----------|-----------|
| 1. _____ | 6. _____  |
| 2. _____ | 7. _____  |
| 3. _____ | 8. _____  |
| 4. _____ | 9. _____  |
| 5. _____ | 10. _____ |
